

# FREE 2023-2024 FIELD TRIPS

## Mission Creek Preserve!

For over a decade, we have offered fully funded field trips to Mission Creek Preserve for Desert Hot Springs schools. Transportation costs are reimbursed by the Mission Springs Water District (a Groundwater Guardians affiliate). All programs are offered at no charge and are funded by private donations. Any donations to The Wildlands Conservancy are welcome.

### OUR PROGRAMS

- Inquiry-led and guided by grade specific NGSS
- Focus on earth and life sciences within our watershed
- All programs teach direct observation, scientific inquiry, and the importance of water conservation and protection

### TEACHER TESTIMONIALS

"The staff engaged with all students' comments and encouraged each and every one of them to learn...It was a very respectful, exciting, and enjoyable adventure for everyone." - Elementary School Teacher

"We really appreciate the opportunity to be able to do some real science in the field and the students were excited to have a field trip - for many, it had been years." - High School Teacher

### SCHEDULE A FIELD TRIP

Programs offered Tuesdays through Fridays from October to April, 55 student maximum per day. To make a reservation, or if you have any questions, email or call Desert Preserves Outdoor Education [desert\\_education@wildlandsconservancy.org](mailto:desert_education@wildlandsconservancy.org) | 760-325-7222.
