

# BUILDING FOR THE FUTURE

## North Building Facility Improvements

The North Building at the Horton Wastewater Treatment Plant is in need of roof repairs, and installation of heating/air conditioning. Upgrades include construction of a new restroom and the remodeling of the existing restrooms.

### Current Status **DESIGN**

Design: Summer 2022

Construction: Summer 2022 - Fall 2022

### Budget

MSWD has allocated funds for this project under the 2022-23 capital improvements budget.

### Project Benefits

Mission Springs Water District strives to provide the best quality water and wastewater service to its customers. Over the past several decades, Mission Springs Water District has grown and seeks to construct a new Administrative Building to allow the District to grow and continue to provide service to its customers.

### More Information

To learn more about this and other MSWD groundwater protection, system reliability, and conservation projects, please contact our Public Affairs Office at 760.329-6448 ext. 145.
