### Brighten your holidays with cash rebates!

Treat yourself to a desert-friendly landscape or high-efficiency toilet this holiday season! The cooler winter months are a great time to replace grass with a more water-wise landscape.

To help offset the costs, MSWD offers rebates of \$2 for each square foot of grass removed. Replacing your toilet with a high-efficiency model could earn you up to \$100 in rebates!

These upgrades will cut your water use and help reduce your monthly bill.

They are the gifts that keep on giving! To learn more, visit [www.mswd.org/rebates](http://www.mswd.org/rebates).
