

New Customer Portal

Please note: You must log into the CustomerConnect web portal to make an online payment. Guest payment options are currently unavailable.

Mission Springs Water District customers now have a new tool to help them save and manage their water usage. Designed for computers and mobile devices, the District's new [Customer Connect portal](#) provides enhanced bill payment options and a wealth of information and insights about water use.

Pay Bill Online

[Click Here for Online Bill Pay at the New Customer Connect Portal](#)

Portal features include:

- [Pay bills](#) and manage automatic payments
- Set and receive leak alerts
- Identify water waste
- View and compare historical usage data
- Access account information from anywhere
- And more!

You will need your MSWD account number and zip code to create an account.

For portal assistance, contact MSWD at 760-329-6448, and a customer service agent will walk you through the sign-up process.
